About Us

Mam Humanitarian Foundation (MHF) is a non-governmental, non-profit organization with a moral personality. Working under the slogan of peace, development, and coexistence. The foundation was first established in 2019 by a conscientious and dedicated board that are motivated by humanitarianism.

MHF registered in Erbil on 23/01/2018 and registered in Baghdad on 02/02/2020. It has since then worked tirelessly to be able to provide protection to people in need during times of crisis and has had many Grass root-level Impacting activities.

Based on the principle of human rights and fundamental freedom, the foundation aims to educate the community on different fields such as cultural, social, economic, political, legal, health, educational, agricultural, environmental, tourism, and sports. Aiming to improve the employability and widen the understanding of the locals who take part. Such educational programs also support capacity building for locals.

MHF uses legal, humanitarian, and scientific means for development in the fields of Environmental awareness, cultural development, legal awareness, health, and education services. With the help of governmental institutions, local and foreign organizations. Iraq and KRG have a vast and large economical and human potential; however, it is still suffering from the long-term effects of the decades of conflict within this area. MHF aims to spread and apply the concepts of peaceful coexistence among all components within society (humanitarian, national, religious, social, political).

Mission

MHF works to protect individuals or groups who are affected by poverty, conflict, and disasters. The foundation is based on developing human capabilities and educating people on all topics to increase skill sets, which encourages individuals to work and live in a better and more sustainable way. MHF introduces social, health, renovation, media, journalism, photography, and environmental projects to progress society.

Vision

Aspiring for a better, prosperous, and civil society for all individuals, regardless of gender, race, religion, and intellectual or ideological affiliation.

Focus

We focus on individuals and communities affected by wars or disasters. As well as marginalized groups in society such as children, women, and youth whom are suffering from crisis, to be able to prepare them and assist them to reach a better-quality life whilst using capacity building as a tool that intertwines with the foundations goals.

Values and Objectives

Constantly the core values of MHF are acceptance, integrality, accountability, and truthfulness. These values are assured to MHFs beneficiary, partners, and all stakeholders. Motivated to intensify the abilities and skill sets of all entities within our society and the community.

The objective of MHF is to be able to successfully complete and support humanitarian projects and activities among all within society regardless of (ethnicity, nationality, religious, social). To also be able to improve social, financial development and personal realization of those who are under-rated for example Women, Children, Youth, and Refugees.

Such objectives have been met by creating and supporting projects in many different fields, such as training and capacity building programs in many different fields, that allow the individual to obtain the skill sets needed to increase the chance of employability.

How We Work

Our Team

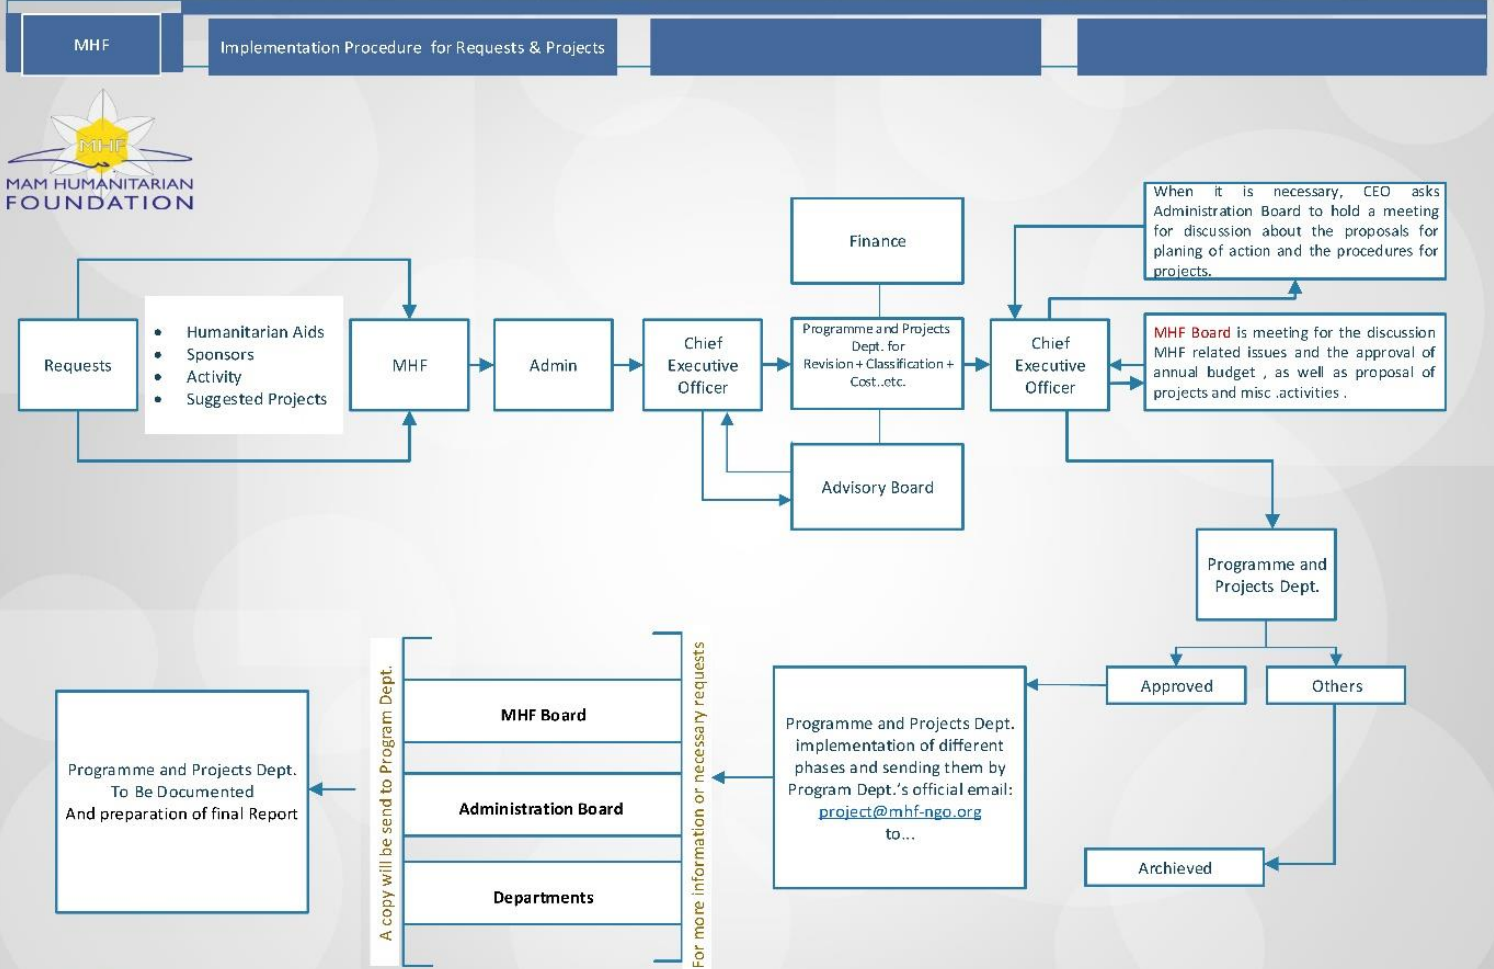

The team consists of a board of Directors, an Executive director and numerous departments within the foundation that are Admin, Program, I.T, Finance, and the legal department. The foundation has contracted staff within those departments. MHF also has a group of active advisors that are specialized, and experts within their respective fields and 309 volunteers across all provenances in Iraq.

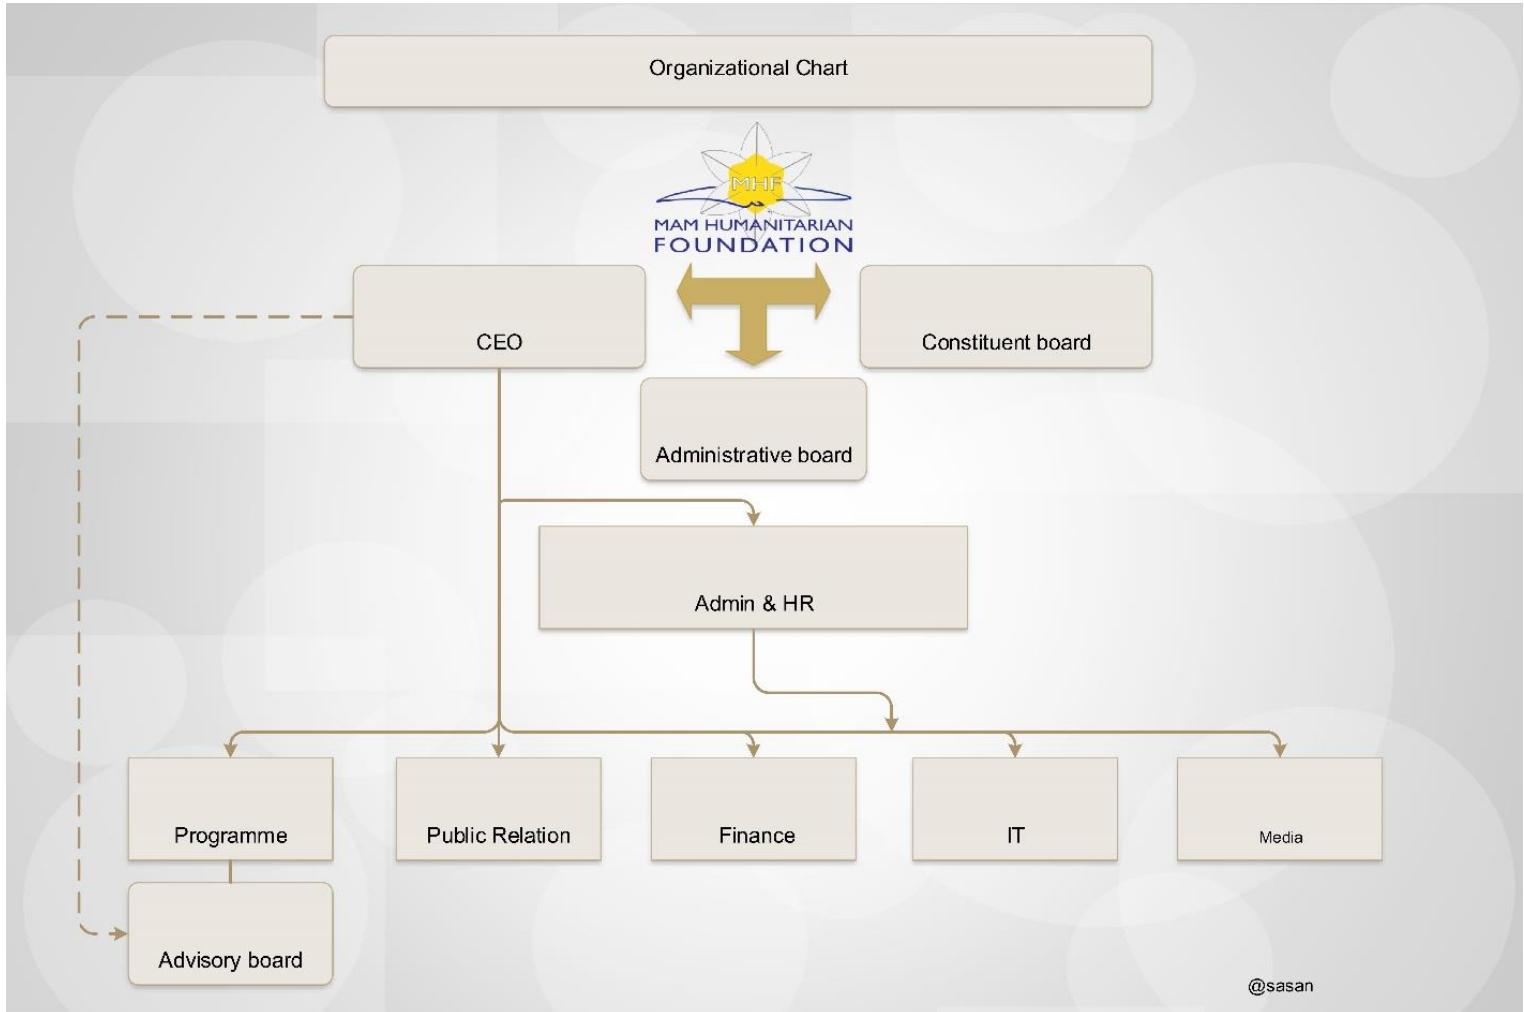

Project & Activity Path

MHF follows a specific path to be able to successfully implement all projects and activities. There are three main project/activities, which are humanitarian assistance, sponsorships and requested projects/activities. All plans that are presented undergo an executing mechanism for suggested projects/activities.

As MHF has many different types of projects/activities that need to be executed in various areas. There are certain requirements from the local authorities that need to be identified, MHF ensures that all applicable local laws and regulations are complied with.

The path and the organizational chart is shown below:
